

Don't Believe Misleading Ads
Calling Themselves "Jersey No-Bows"

There is only one
ORIGINAL No-Bow Wrap
Made by Vac's

Since 1979

100% in the USA – New Jersey

They try to copy the look, and name it "Jersey" even though
it is made somewhere in China or India.

**BUT THEY CAN'T COPY THE QUALITY
OR THE THIRTY YEARS OF EXPERIENCE**

IT IS NO SECRET: Better raw materials work better.

LOOK FOR **VAC'S** NAME

(We added "JERSEY" to the name in 1980 because it
is made by us in New Jersey)

**TO BE SURE YOU ARE GETTING
THE ORIGINAL QUALITY ITEM
THAT WORKS THE BEST!**
